(13) Evans Amendment No. 2834, to provide \$165,000 for completion of flood repairs at the Monongehela National Forest, of which \$100,000 is for preliminary design and survey work on the Hat Point and Dug Bar Roads in the Hells Canyon National Recreation Area, \$8,473,000 for roads and parking at Mount St. Helens National Volcanic Monument, and \$6,731,000 for trail construction.

Page 23518

(14) Metzenbaum Amendment No. 2835, providing additional funds for the National Park Service for land acquisition.

Page 23519

(15) McClure Amendment No. 2836, providing that the Forest Service is to continue to complete as expeditiously as possible development of land and resource management plans to meet the requirements of the National Forest Management Act of 1976 (NFMA), that the Forest Service may continue the management of units of the National Forest System under existing land and resource management plans pending the completion of plans developed in accordance with the Act, and that nothing shall limit judicial review of activities on management units of the National Forest System, provided, however, such challenges are not intended to invalidate in its entirety any existing land and resource management plan developed under authorities other than section 6(c) of the NFMA.

Page 23520

(16) McClure (for Stevens) Amendment No. 2837, to fund the acquisition of land in Lake Clark National Park and Preserve.

Page 23522

(17) Melcher modified Amendment No. 2838, to provide that no more than \$400,000 made available to the Forest Service for obligation in fiscal year 1987 shall be expended to support Washington office staff in the development of the Resources

Planning Act, and that this shall not reduce funds available for the development of forest plans pursuant to the National Forest Management Act of 1976.

Page 23522

(18) Hart-Melcher modified Amendment No. 2839, to prohibit for a period of 180 days the use of funds appropriated in the Act for the patenting of any unpatented oil shale claims filed prior to passage of the Mineral Lands Leasing Act of 1920.

Page 23523

(19) Byrd Amendment No. 2840, to clarify the treatment of qualified registered professional land surveyors under the Surface Mining Control and Reclamation Act of 1977.

Page 23525

Senate insisted on its amendment, requested a conference with the House thereon, and appointed as conferees Senators McClure, Stevens, Laxalt, Garn, Cochran, Andrews, Rudman, Weicker, Byrd, Johnston, Leahy, DeConcini, Burdick, Bumpers, and Hollings.

*District of Columbia Appropriations, 1987:* Senate passed H.R. 5175, making appropriations for the government of the District of Columbia and other activities chargeable in whole or in part against the revenues of the District for the fiscal year ending September 30, 1987, after agreeing to committee amendments (with an exception), and taking action on amendments proposed thereto, as follows:

Page 23554

Adopted:

(1) Specter (for Tribble) Amendment No. 2841, providing that the District of Columbia shall not renovate or construct prison bed space at the Occoquan facilities of Lorton Prison beyond the number of prison bed spaces which were damaged or destroyed there during the fire that occurred on July 25, 1986.

Page 23562

(2) Specter (for Tribble) Amendment No. 2842, expressing the sense of the Congress that, in order to help alleviate the public safety problem facing the District and residents of the surrounding jurisdictions, construction should begin and be completed as soon as possible on the new permanent prison proposed to be built within the District of Columbia.

Page 23562

(3) By 48 yeas to 42 nays (Vote No. 263), committee amendment on page 24, lines 1-14, relating to abortion.

Page 23569

Senate insisted on its amendments, requested a conference with the House thereon, and appointed as conferees Senators Specter, Hatfield, Mattingly, Domenici, Lautenberg, Harkin, and Stennis.
